

Job Description

Post:	Project Officer
Grade / Level:	I/ Entry
Pathway:	B – Technical and Consultancy Services
Responsible to:	Senior / Project Manager
Responsible for:	N/A

Introduction to Impactt

Impactt Limited was founded in 1997 with the mission of improving the lives of workers in international supply chains in a way which makes business sense. Since then the company has grown to be a leader in the field with a high reputation for quality, excellence, integrity and delivery and for delivering innovative and scalable solutions which work for workers whilst having a strong understanding of business. The Company's head office is in London, with subsidiaries in China, India, Bangladesh and teams in Vietnam and Myanmar. Impactt's business plan aims for the company to reach 5 million workers with a turnover of £5 million by 2020.

Job Purpose

- To contribute to Impactt's vision to improve workers' livelihoods in a way that benefits businesses and workers by managing small projects effectively and proactively supporting a number of clients/accounts
- To provide essential support to projects (administrative and technological), working with the Senior Project Officers and Project Managers and / or other team members to achieve project success.
- To maintain excellent working relationships with existing clients thereby promoting Impactt's business and commercial activities in line with business plans

Key Accountabilities:

- To provide project management support, directly or indirectly, in the management of projects, and where applicable driving smaller t standard medium size projects

Key Responsibilities:

- Project manage smaller accounts and support on the growth of larger accounts/programmes
- Develop and maintain excellent client relationships

- Write proposals for smaller projects and support on proposal writing for medium/large projects
- Conduct or provide support on fieldwork in the UK and internationally as and when required and in line with portfolio (Including working towards Impactt's Worker Interviewer qualification)
- Support with the development and implementation of marketing materials/activities e.g. contribute to Impactt's blog and newsfeed as and when required
- Build knowledge of human rights issues workers experience in global supply chains and apply this in project and business development work
- Contribute to and participate in knowledge sharing initiatives
- Follow Impactt's administrative and project management procedures and principles
- Demonstrate the ability to take a brief and transform this into an accurate output
- Organise, simplify and analyse large volumes of data in an efficient manner
- Produce and or contribute to the production of Impactt standard Reports on project findings
- Work as part of a team and collaborate/consult as and when required
- Contribute to the achievement of UK billable and new business targets by achieving agreed annual percentage split of time on billable activities and non-billable activities.
- Undertake any other duties reasonably required that are consistent with the grade and purpose of the post
